From: DSD, Resources

Subject: Annual Cultural Resources Workshop, April 1-3, 2002, San Diego, California

As suggested by our statewide Protocol with the California Office of Historic Preservation, our workshop will be held in conjunction with the Society for California Archaeology (SCA). Many of your staff will be giving professional papers regarding their work on Bureau lands this year. I encourage you to attend the workshop and professional sessions at the SCA along with the workshop.

This year the workshop will be product oriented. We will be revising the statewide Protocol, developing an international cross border program, working on an approach to develop a successful strategy between Off Highway Vehicle (OHV) use and heritage resources, working towards the development of a statewide Paleontology program and will we be initiating the state wide archaeology and fire program..

Recreation planners should attend on Tuesday April 2, 2002, to assist in developing the OHV/Heritage resources strategy.

Rooms have been reserved at the Doubletree Hotel in San Diego-Mission Valley. The hotel is located at 7450 Hazard Center Drive, San Diego. Make your reservations at 619-297-5466. The block is reserved for March 31-April 3 under BLM. April 4-6 it is reserved under the Society for California Archaeology.

Please contact Russell Kaldenberg, State Archaeologist at 916-978-4648 if you have any questions.
